## RULES AND REGULATIONS

The purpose of the Harbor Beach Surf Club, Inc. (the "Surf Club") is to provide facilities for all Members to share and enjoy equally, and the Board of Directors has adopted the following Rules and Regulations:

1. Membership. Membership in the Surf Club is available only to property owners in Harbor Beach.
2. Transferability. Membership may not be transferred nor assigned for any reason at any time.
3. Assessments. Any assessment approved by the Board of Directors creates a debt owed by the Member to the Surf Club. Until discharged via full payment, a Member's obligation continues unabated and he is legally liable for it regardless of whether he has resigned his membership.
4. Good Standing. A Member's status is determined solely at the discretion of the Board of Directors. Compliance with these Rules and Regulations and remaining current on dues and assessments will entitle a Member to uninterrupted access to Surf Club facilities.
5. Hours. Surf Club facilities will be open and an attendant on duty from 9 A.M. to 5 P.M Eastern Standard Time and 10 A.M. to 6 P.M. Eastern Daylight Time
6. Access. Access and use of Surf Club facilities will be restricted to Members in good standing and their respective families that from time to time collectively reside at the Member's property on a permanent or temporary (vacation) basis. Beach access will be gained via use of an electronic Access Card that will record dates and times of ingress and egress. For the purposes of clarity, family Members include lineal relationships to the property owner (parents, siblings, children and grandchildren) and are allowed use of a Member's Access Card. Renters unrelated to a Member or non-Members are not allowed use of an Access Card and will be denied access unless accompanied by a Member in good standing. Each member will receive one (1) access card. One additional access card may be purchased by the member for an additional fee.
7. Sign In. A sign-in sheet is located under the beach pavilion during normal business hours. All Members and their family and guests are required to sign in and out when entering and leaving the beach facility.
8. Guests. Accompanied guests of Members are welcome to use the facilities of the Surf Club. A Member may bring up to five (5) guests per visit. For groups exceeding five (5) guests, see Section 21.
9. Children. Children under sixteen years of age are not permitted access or use of any Surf Club facilities unless accompanied by an adult.
10. Responsibilities. Members will be personally responsible and liable for the actions, behavior and adherence to the Rules and Regulations of themselves, any family, and/or guests entering the Surf Club, whether accompanied by the Member or entering using the Member's access card. Video security cameras on premises record after-hours activity. The costs of any damage directly caused by a Member, a Member's family or a guest will be solely borne by the Member.
11. Entry at Own Risk. Use of the Access Card acknowledges on behalf of the Member, his family and/or any guests accompanying him that they each are individually entering the Surf Club, that no lifeguard is on duty, and that any activity, swimming or otherwise, is done at their own risk.
